Instructor's Biography:

Dr. Smith is an attending emergency medicine physician at St. Francis Hospital in Long Island, the best heart hospital in the New York area. Dr. Smith is also the medical director of the police, fire and EMS of the City of Yonkers. He was the former ER director of St. Joseph's Medical Center in Yonkers, where the majority of the patient population was Spanish speaking.

Dr. Smith attended medical school at Drexel University in Philadelphia and completed his residency with Lincoln Hospital in The Bronx and his critical care fellowship with Shock Trauma, the best trauma center in the U.S. with the University of Maryland. Lieutenant Smith was stationed at the Navy base in Japan as a medical instructor for bilingual medical students and residents for 5 years.

Mock Interview Workshop for Bilingual Residency Candidates

Applying for a residency program in the U.S.? This workshop will prepare you. At this well-designed workshop, you will receive a real time interview, constructive feedback and resume critique from our experienced coaches, including attending physicians, human resources experts and cultural competency experts. Our goal is to help you familiarize with the real interview setting and interview questions, gain more confidence and control, better understand the U.S. healthcare system and the buzzing trends in healthcare, improve the consistency and sincerity of your story line, better sell your cultural background and language skills and to enhance your communication skills.

Training Dates: June, 19th

Training Location: 295 Northern Blvd.,
Great Neck, NY

Tuition: \$329, all inclusive.

Audience: Bilingual residency candidates who are in the application process

Length: 5-6 hours, small group workshop with no more than 4 attendees (3-4 hours for a 2-people session)

You will receive the recording of your interview, a detailed summary report and your commented resume within 3 business days after the workshop.

This training is recurring. Next training sessions will be offered on June, 19th. Please follow our Facebook page for updates.

TO REGISTER: Please email us your resume and application summary at entercommllc@gmail.com!

Testimonial:

"His insight on the structure of different programs and what the programs are looking for is very valuable. Having been a Kaplan instructor in Japan and worked with foreign grads, his understanding of how we can use our cultural background towards our advantage is way above other American doctors. They truly spend a lot of time and energy on each participant. They also record your performance and send the recording file along with a detailed summary back to you. It takes them a lot of time but really makes things easier for us. This is what other training courses do not have. "

Schedule doesn't work? Don't worry! You may schedule an one-hour one-on-one mock interview with us in person or via Skype at your convenience!
